Dear Sir:

The present Request for Reconsideration is in response to the Final Office Action November 24, 2009 and is filed with the fee for a one-month extension of time, Large Entity.

Claim 17 recites:

producing a separate and unique PKI certificate for each of the plurality of executable software components subject to receiving certification within each gaming machine, each software component subject to receiving certification including a unique identifier;

code signing each executable software component subject to receiving certification with its respective separate and unique PKI certificate
